Different Seasons for Different Pins

The beautiful performance of wearing pins is diferent for seasons. Quality lapel pins is a good choice. You can wear a large range of brooches in spring and autumn, because of rich fabrics, brilliant color and various style. Spring and autumn should also be worn in harmony with the colors of nature green and golden brooch. Summer dress is more like silk thin fabric, if you wear a large and easy to affect the appearance for the weight of the brooch fall. Therefore, the summer should wear fine light brooch; such as wearing colorful glass, pottery or plexiglass made of beads, personalized pins, folder earrings are also more appropriate. Winter clothing is often thick, bro och should be chosen metal , inlaid treasure or a sense of wei ght. Winter should wear a larger, exquisite and luxury brooch , for example,hard enamel pins.
